

## Who Are Communities for Children

The Inala to Goodna Communities for Children (C4C) is a 4 year initiative funded by the Australian Government under the Stronger Families and Communities Strategy and facilitated by Mission Australia. It is focused on children 0 to 5 years living in the suburbs of Inala, Durack, Richlands, Carole Park, Wacol, Gailes and Goodna, their families and their community, and aims to give children a better start in life.

## Our Vision

*To facilitate the development of Child Friendly Communities that are collaborative, co-operative and encourage partnerships by supporting and building upon innovative strategies which nurture children, families and neighbourhoods.*
